**Dance students at a city studio have danced their way through a sell-out show at The Venue MK.**

Dancebox Studio's debut production Decadance starred more than 300 local dancers of all ages, with 700 costumes, and was seen by more

than 1,500 people over four performances. Months of rehearsals ensured everything was in perfect synchronicity before curtain up.

Studio director Tom Linear-Boulton said: "Decadance really was a testament to the hard work of all the dedicated amateur dancers who have created a friendly and welcoming community at Dancebox Studios."
